Washbasin: 450 x 100 x 350 mm (W x H x D)  
 Bowl: 400 x 60 x 230 mm (W x H x D)

## BESPOKE COLOUR OPTIONS

If desired, a colour stripe can be seamlessly integrated into the edge, which provides visual orientation for the wash bowl, taking the principle of using two senses into account. To incorporate a coloured edge onto the bowl you require, simply choose one of the following RAL colours and quote upon order:

## FEATURES

These washbasins made of resin-bonded mineral material are practically effortless to clean thanks to their pore-free, smooth surface.

The soft, rounded outline of the washbasin in the VARIUScore line surrounds the modern, flat bowl which makes it easy to wash your hands.

The grip edge integrated into the washbasin, which is warm and pleasant to touch – makes it easy for users to pull themselves up and find support on all sides.

## STAINLESS RANGE

Franke Doc M packs provide easy and convenient use and has long since outgrown the niche of wheelchair accessible construction. Our stainless steel CONTINA grab rails made of non-slip stainless steel ultimately make it easier for everyone to use the facilities. We also have Blue Doc M packs which are manufactured from epoxy coated aluminium and stainless steel. All items are available as individual parts if required.
