Notes:

- Features, specifications are subject to change without notification.
- *VOC regulations in the US and Canada only. The products are air fresheners and contain nothing defined as a VOC that is not a fragrance component and therefore the general exemption for air fresheners of 94510.F applies. Section 94510.F applies to the product from the US federal "Consumer Products Regulation". The formulations are "pure fragrance" or "fragrance-only". Note there are currently no restrictions on VOC content in Europe and what chemicals etc. would be classified as VOC exempt.
- ** Warranty applies to the use of Vectair approved refill oils only. Not applicable if non-approved refill oils are used.
